Important Security & Login Guidelines

- **Portal Sign-In:** Staff members can sign in by entering either their **full email address** or their **username prefix** (e.g. `kazmi687`, `najafaabdi9`, `managerunitypvtiti`).
- **Password Confidentiality:** These credentials provide direct access to sensitive administrative, admission, and student academic records. Do not share credentials across departments.
- **Password Reset:** Administrators can reset staff passwords at any time through the *Staff Management* module.
