PART 1: GENERAL SYSTEM ACCESS, SIGN-IN & NAVIGATION

Applicable to Teachers, Students & Parents

STEP 1.1 Accessing the ERP Login Screen & Signing In

PORTAL: **Main Authentication** URL: `https://erp.unityiti.edu.in/` or `/itierp/index.php`

1. Open any web browser on your phone, tablet, laptop, or desktop (Google Chrome, Apple Safari, Microsoft Edge).
2. In the address bar, type the official portal URL: `https://erp.unityiti.edu.in/` and press Enter.
3. In the **Email or Username** field, type your issued account username or registered email address.
4. In the **Password** field, type your secret account password.
5. Click the dark blue button **Sign in to your workspace**.
6. The system authenticates your credentials and automatically opens your dedicated dashboard based on your role:
   - **Teachers:** Automatically redirected to `/itierp/teacher/dashboard.php`
   - **Students:** Automatically redirected to `/itierp/student/dashboard.php`
   - **Parents:** Automatically redirected to `/itierp/parent/dashboard.php`

STEP 1.2 Navigating the Layout (Desktop & Mobile)

APPLIES TO: **All Devices & Screen Sizes** ELEMENTS: `Top Bar • Sidebar Navigation • Logout`

1. **On Desktop Computers:** The dark blue navigation sidebar is always visible on the left side of the screen. Click any menu link to immediately open that section.
2. **On Mobile Phones:** The top bar is permanently fixed at the top of your screen. Click the three-line hamburger menu button ☰ on the top-left to slide open the navigation drawer. Click anywhere on the dark backdrop or on any link to close the menu.
3. **Logging Out:** When finished, click the **Logout** button located on the top-right corner of the top bar to safely end your session.

PART 2: TEACHER (INSTRUCTOR) USER MANUAL

Role: teacher | Portal: Teacher Portal

STEP 2.1 Reviewing the Teaching Performance Hub

ACTIVE PORTAL: Teacher Portal MENU PATH: `Dashboard`

1. Log in using your Teacher account credentials.
2. In the Left Sidebar, click **`Dashboard`**.
3. Inspect your live teaching metric summary cards:

Metric Card	Information Displayed	Action When Clicked
Assigned Courses	Number of trade classes currently assigned to you (e.g. Electrician, Fitter).	Opens your assigned student profile directory.
Assigned Students	Total count of active enrolled trainees across all your trades.	Opens the full trainee list for your assigned courses.
Attendance Marked Today	Number of attendance records saved by you for the current date.	Opens the Daily Attendance marking screen.
Homework Posted	Total assignments created and assigned by you to date.	Opens the Homework management workbench.
Notifications Sent	Total announcements and broadcast alerts dispatched by you.	Opens the Notification Broadcast composer.

STEP 2.2 Marking Daily Trainee Attendance

ACTIVE PORTAL: Teacher Portal MENU PATH: `Coursework → Mark Attendance`

1. In the Left Sidebar under the *Coursework* section, click **`Mark Attendance`**.
2. In the **Course** dropdown, select your assigned trade class (e.g. `Electrician (2026-2027)`).
3. In the **Date** input, select the attendance date (defaults to today's date).
4. Click the blue button **Load Students**.
5. The system loads the active enrolled trainee roster with Roll Number, Admission Number, Student Name, Status radio buttons, and Remarks input.
6. For each student row, select their attendance status:
   - **PRESENT** (Selected by default)
   - **ABSENT** (Flags the trainee as absent; alerts parent dashboard)
   - **LATE** (Trainee arrived after session commencement)
   - **LEAVE** (Pre-approved or medical leave)
7. In the **Remarks** text box next to any student, optionally type notes (e.g. "*Late by 25 mins*" or "*Sick note submitted*").
8. Scroll to the bottom of the student roster table and click the button **Save Attendance**.
9. A green success banner displays: `Attendance saved for X student(s)`. Records are permanently stored and visible to Administrators and Parents.

STEP 2.3 Creating and Posting Assignments / Homework

ACTIVE PORTAL: Teacher Portal MENU PATH: `Coursework → Assignments`

1. In the Left Sidebar under the *Coursework* section, click **`Assignments`**.
2. Locate the **Post New Assignment** form on the screen.
3. In the **Course** dropdown, select the target trade class (e.g. `Fitter - Section A`).
4. In the **Title** input box, type a clear assignment title (e.g. "*Workshop Safety Standards & Tool Identification Sheet*").
5. In the **Description** text area, type instructions, chapter page references, questions, or lab exercise details.
6. In the **Due Date** calendar picker, select the final submission deadline date.
7. Click the blue button **Post Homework**.
8. The assignment is published instantly. It appears immediately in the **Active Assignments** table and on the dashboards of all enrolled students and their parents.

STEP 2.4 Reviewing & Downloading Trainee Homework Submissions

ACTIVE PORTAL: Teacher Portal MENU PATH: `Coursework → Assignments`

1. On the **`Assignments`** page, scroll down to the **Submissions & Review** table.
2. Locate the assignment row and check the submission counter (e.g. *18 of 22 Submitted*).
3. Review the individual student submission rows:
   - **Student Name & Roll:** Identifies the submitting trainee.
   - **Submission Timestamp:** Date and time uploaded.
   - **Status Badge:** SUBMITTED (On time) or LATE.
   - **Uploaded File:** Click the link **Download Work** to view the student's PDF, document, or photo.
   - **Student Remarks:** Any explanation or notes written by the trainee.
